2. What changed on 1 July 2026

Plan	Old price (annual, from 1 Jan 2025)	New price (annual, from 1 Jul 2026)	Reason
Starter	\$15	\$19	Auto-Resolve added to Starter
Growth	\$45	\$49	WhatsApp and Knowledge Gap Detector included
Enterprise	From \$79	From \$89	Data residency and 99.95% SLA included

Existing customers keep their old price until their next renewal after 1 July 2026 (price lock). Sales must not quote the old prices to new prospects.

3. AI usage metering

- An **AI resolution** is counted when the Auto-Resolve Agent closes a ticket and the customer does not reopen it within 72 hours.
- Hand-offs to a human and reopened tickets are **not** counted.
- Overage: **\$0.40** per extra AI resolution, or a pre-paid pack of 1,000 resolutions for **\$350**.
- Unused included resolutions do not roll over to the next month.

4. Add-ons

Add-on	Price	Available on	Status
Copilot Pro (advanced suggested replies, tone control)	\$10 / agent / month	Growth, Enterprise	Available
Extra AI resolution pack (1,000)	\$350 / pack	All plans	Available
Voice channel	\$15 / agent / month	Growth, Enterprise	From Q1 2027 (waitlist)
Premium data residency (Middle East)	Custom	Enterprise	Under evaluation

5. Discount policy

Programme	Discount	Eligibility	Approval needed
Annual billing	About 20% vs monthly (built into list price)	Any plan except Enterprise	None
Non-profit	30% off list	Registered non-profits	Sales manager
Startup programme	50% off for the first 12 months	Fewer than 20 employees AND under \$5M funding raised	Sales manager
Multi-year (3-year Enterprise)	Up to 15% off	Enterprise only	VP Sales
Anything above 30% (other than startup)	Case by case	-	VP Sales and CFO (deal desk)

Rule: discounts never stack. A non-profit startup gets the larger single discount, not both.

6. Free trial

14-day free trial of the Growth plan, up to 5 agents and 200 AI resolutions. No card required.
