### 1. Summary

FlowDesk wins on ease of setup and mid-market price, and loses on voice support and deep CRM integration. Our overall competitive win rate in Q4 2025 was **46%**.

### 2. Head-to-head

|                                         | FlowDesk         | HelpNest   | Zentrik | ClearDesk |
|-----------------------------------------|------------------|------------|---------|-----------|
| Entry price (annual, per agent / month) | \$15             | \$29       | \$12    | \$20      |
| Mid-tier price                          | \$45             | \$69       | \$39    | \$55      |
| AI resolution rate (vendor claim)       | 28%              | 50%        | 35%     | 30%       |
| Voice channel                           | No               | Yes        | No      | Yes       |
| Native Salesforce integration           | No (Zapier only) | Yes        | No      | Yes       |
| On-premise option                       | No               | No         | No      | Yes       |
| Typical setup time                      | 1 day            | 2-3 weeks  | 2 days  | 3-6 weeks |
| Indian language support                 | Planned          | Hindi only | None    | None      |

### 3. Win / loss (Q4 2025, 212 competitive deals)

| Competitor | Deals | FlowDesk win rate | Top reason we lose                         |
|------------|-------|-------------------|--------------------------------------------|
| HelpNest   | 94    | 41%               | Higher AI resolution rate; voice           |
| Zentrik    | 71    | 58%               | Lower price for very small teams           |
| ClearDesk  | 47    | 63%               | On-premise requirement (banks, government) |

### 4. Battlecard talking points

- **Against HelpNest:** lead with setup time (1 day vs 2-3 weeks) and total cost of ownership.
- **Against Zentrik:** lead with Smart Routing and analytics; Zentrik has no SLA rules.
- **Against ClearDesk:** if on-premise is a hard requirement, qualify out early.

### 5. Threats to watch

- HelpNest announced a 'Resolve Agent' claiming 60% AI resolution, expected mid-2026.
- Zentrik raised a \$40M round and may cut prices further.
