1. Business metrics

Metric	Q1 2026	Q2 2026	Q3 2026
Paying customers	1,980	2,150	2,340
Annual recurring revenue (ARR)	\$14.2M	\$16.1M	\$18.6M
Net Promoter Score (NPS)	31	36	42
Gross monthly logo churn	2.9%	2.5%	2.1%
AI resolution rate (last month of quarter)	28%	31%	37%

The AI resolution rate reached 37% in September 2026, after the 3.0 launch. That is below the 45% target set for 31 December 2026 in the PRD.

2. Churn by plan (Q3 2026, monthly average)

Plan	Customers	Monthly logo churn	Top churn reason
Starter	1,410	3.8%	Business closed or moved to a cheaper tool
Growth	820	1.6%	Needed voice support
Enterprise	110	0.4%	Needed native Salesforce integration

3. Top feature requests (Q3 2026)

Rank	Request	% of Enterprise accounts asking	Roadmap status
1	Native Salesforce integration	38%	Committed, Q4 2026
2	Voice channel	27%	Committed, Q1 2027
3	Better Hindi / Tamil (Roman-script) understanding	19%	Committed, 3.1 in Q4 2026
4	On-premise deployment	6%	Under consideration

4. Customer interviews

Selected quotes from 18 interviews. Contact details are kept for follow-up by the Customer Success team only.

Customer	Plan	Contact	Quote
Kirana Kart (retail, India)	Growth	Ravi Kulkarni, ravi.kulkarni@kiranakart.example, +91 98200 11234	"Auto-Resolve now handles most order-status tickets. Hindi in English letters still goes to my agents."
Brightway Insurance	Enterprise	Elena Duarte, e.duarte@brightway.example, +1 415 555 0142	"We cannot expand to the claims team until the Salesforce integration ships."
Pawsome Pets	Starter	Tom Becker, tom@pawsome.example	"Price went up from \$15 to \$19 but Auto-Resolve pays for itself."
Northwind Telecom	Growth	Aisha Bello, aisha.b@northwind.example, +44 20 7946 0958	"Without voice we still run a second tool for phone. Considering HelpNest."

5. Support operations

- Median first response time in Q3 2026: 24 seconds (PRD target: under 30 seconds).
- CSAT on AI-resolved tickets: 4.3 / 5 (target 4.4 by 31 December 2026).
- Human hand-off rate from Auto-Resolve: 41% of AI-attempted tickets.
